

Van Gelder Jewellery acts with pace and grace, while quality remains our number one priority. If you are resilient, work well under pressure and want to work for a growing and internationally operating brand, we would love to hear from you!

Bench Jeweler (Free-lance)

We are looking for an experienced, free-lance bench jeweler to support our jewellery restoration needs. The bench jeweler is responsible for setting, repairing, cleaning, and maintaining the collection consistent with our quality standards and service level. You are willing to train with and work alongside our current experienced restoration team, specialized in working on and with traditional Indian jewellery skills and techniques.

Responsibilities and desired skills include but are not limited to:

- Restoration
- Re-assemble
- Cleaning
- Chain and Clasp Repair
- Stringing
- Re-tipping Prongs
- Creating Stone Mounts
- Performing rebuilds
- Advanced level understanding of jewellery repair techniques and finishing techniques
- Soldering and assembly
- Performing minor ring repair and other jewellery repairs

You have:

- Demonstrated experience as a bench jeweler
- Advanced gemstone and diamond setting skills required
- Must have in-depth knowledge about various types of gemstones and diamonds
- Advanced knowledge of jeweler's tools, machinery and equipment required along with jewellery repair knowledge
- In-depth knowledge of various chemical solutions used for jewellery making/repair and should have experience working with the same
- Expertise in setting/replacing all kinds of gemstones and diamonds with different types of settings
- Should have good knowledge, understanding and experience on working with various plating solutions and enamel techniques
- High attention to detail
- Ability to work on own initiative
- Ability to balance work on several projects at a time

Start May, 1st 2018

Location: 's-Hertogenbosch, the Netherlands
